of Correction

Sir:

REQUEST FOR A CERTIFICATE OF CORRECTION

The patentee in the above-identified patent hereby requests that the Patent and Trademark Office issue an official Certificate of Correction pursuant to 37 C.F.R. § 1.322 for the following error made by the Patent Office.

On the cover page of the patent, in the left column, under the heading entitled Notice, delete "This patent is subject to a terminal disclaimer."

Since the error arose on the part of the Patent and Trademark Office, no fee is believed necessary for securing issuance of the Certificate.

Attached hereto is a draft Official Certificate of Correction for use by the Patent and Trademark Office correcting the above-identified matter.

REMARKS

U.S. Patent No. 6,999,985 issued on February 14, 2006. The cover page of that patent erroneously indicates "this patent is subject to a terminal disclaimer." A review of the file history of this patent reveals that no terminal disclaimer was ever required or filed. For reasons unknown to applicants, the imaged file wrapper on public PAIR includes a "terminal disclaimer approval form used within the PTO" with an entry date of May 26, 2004. This is an error of the USPTO's. Indeed, a review of the transaction history on public PAIR shows no terminal disclaimer entry. Accordingly, applicants request that the Certificate of Correction be issued and that the records at the USPTO be corrected to remove this erroneous indication that the above identified patent is subject to a terminal disclaimer.

No fee is due, but the Commissioner is hereby authorized to charge any deficiency in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our **Account No. 14-1140**. A duplicate copy of this sheet is attached.

Respectfully submitted,

NIXON & VANDERHYE P.C.
